Worker Health and Safety Awareness in 4 Steps

The Occupational Health and Safety Awareness training provides a basic understanding of the Occupational Health and Safety Act (OHSA), and does not replace any sector specific, hazard specific, or competency specific training.

In order to start at your placement, you **MUST** complete the online module and print off a certificate of completion for your teacher.

Before you Start:

- This online learning module takes 45 - 60 minutes to complete.
 - The module is unable to keep track of your progress, so it must be completed in one sitting.
 - You will need headphones for this activity.
 - This resource requires Internet Explorer 9 or Chrome 17 or higher.
1. Watch the following online module and answer the questions.
